On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Miller, Loesch, Williams. Nays, None. Abstaining, Botts. Absent, Nichols. The Minutes were approved as presented.

NEW BUSINESS – RESOLUTION (READING AND PASSAGE)

Bill No. 2014 – 77. A Resolution Authorizing the City Manager to Sign Amendment No. 8 with Horner & Shifrin, Inc. for Engineering Services for Wastewater Treatment Plant Improvements Phase II.

City Manager Slagle called upon Director Russell to provide the report.

Director Russell stated the City of Mexico entered into a contract with Horner & Shifrin, Inc. for Engineering Services associated with the Wastewater Treatment Plant Improvements. The additional Engineering Services in Amendment No. 8 is due to the additional time that River City Construction took to complete the Phase II improvements work. Amendment No. 8 adds an additional \$20,028 to the original contract amount for Phase II of \$439,700. Director Russell and City Staff assessed liquidated damages to River City Construction to cover half of the additional costs. The costs relates to items that were disputed by River City Construction as being extra to the construction contract. Staff settled these items as a general lump sum with River City Construction rather than expending more time and cost to detail the documentation and responsibilities. Director Russell recommended Council proceed with reading and passage of Bill No. 2014 – 77.

Council Members and City Staff held discussion regarding services that were performed which created fees for Amendment No. 8.

Councilman Williams moved for reading of Bill No. 2014-77. Chairman Pro Tem Loesch seconded the motion. On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols. Bill No. 2014-77 was read in its entirety by Councilman Williams.

Councilman Williams moved for passage of Bill No. 2014-77. Councilman Miller seconded the motion. On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols. Bill No. 2014 – 77 was passed as Resolution No. 3707.

OTHER BUSINESS

Staff Report – Purchase of Replacement Flow Meters at the Wastewater Treatment Plant
City Manager Slagle called upon Director Russell to present the report.

Director Russell reported that that 2014 – 2015 annual budget allows \$13,143 for the replacement of three flow meters for the wastewater division. Quotes were obtained for the flow meters and due to year end specials, pricing allowed the purchase of four flow meters. Quotes were obtained from ADS Environmental Services and Heartland Controls. ADS was the lowest net unit price and provided a flow meter that has more capability than the Hach meter. An ADS meter reads three functions, 1) level; 2) pressure, and 3) flow. The Hach meter reads only 1) pressure and 2) flow. The ADS sensor is smaller and reads lower flows more accurately and will calibrate itself daily, while the Hach meter does not. The lower price and better functionality makes the ADS meter the best purchase. Bids were: ADS Environmental Services of Lenexa, Kansas - ADS Flow Meter - \$3,288.75; and Heartland Controls of Stanley, Kansas - Hach Flow Meter - \$3,533.00. Director Russell recommended Council proceed with the purchase of 4 ADS flow meters from ADS Environmental Services of Lenexa, Kansas at a cost of \$13,155.

Chairman Pro Tem Loesch moved to approve the purchase of four flow meters from ADS Environmental Services of Lenexa, Kansas in the bid amount of \$13,155. Councilman Miller seconded the motion. On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols.

Staff Report – Purchase of Skid Steer Loader for the Street Maintenance Division
City Manager Slagle called upon Director Russell to present the report.

Director Russell stated that the 2014 – 2015 annual budget allows \$55,000 for the purchase of a skid steer loader for the Street Maintenance Division. Advertisements for Bids were placed in the *Mexico Ledger* and were also mailed to vendors. Six bids were received from five vendors, with three bids not fully meeting bid specifications. The bid received from Sydenstricker Implement of Mexico, Missouri, in the amount of \$44,172.48, for a John Deere 328, was deemed to be the lowest and best bid. Director Russell recommended Council approve the purchase of a John Deere 328 skid steer loader from Sydenstricker Implement of Mexico, Missouri for the bid amount of \$44,172.48.

Councilman Williams moved to approve the purchase of the skid steer loader from Sydenstricker Implement of Mexico, Missouri in the bid amount of \$44,172.48. Councilman Miller seconded the motion. On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols.

Staff Report – Purchase of a Street Sweeper for the Street Maintenance Division
City Manager Slagle called upon Director Russell to present the report.

Director Russell stated that the 2014 – 2015 annual budget allows \$160,000 for the purchase of a street sweeper for the Street Maintenance Division. The City's existing street sweeper is a 2007 Elgin Crosswinds model, that's effectiveness has declined and its cost of operation has increased.

Advertisement for Bids was published in the *Mexico Ledger* and was also mailed to vendors. A number of different sweepers were demonstrated with eight bids received from five vendors. Two of the bids received did not meet specifications and all of the bids did include a trade-in value for the existing sweeper. The bid submitted by Armor Equipment for a Tymco 600 was the lowest bid, but Staff believes the Dulevo Evolution would be a better fit for the City's sweeper needs. The Dulevo demonstration unit that was bid has only 45 hours of operation time. Director Russell also provided a comparison to Council Members of the two sweepers. Director Russell recommended Council approve the purchase of a Dulevo Evolution demonstration unit from Truck Component Services of Strafford, Missouri, for a net cost of \$164,365, which includes a trade-in of the City's existing Elgin sweeper.

Mayor Botts moved to approve the purchase of the street sweeper from Truck Component Services of Strafford, Missouri in the bid amount of \$164,365. Councilman Miller seconded the motion. On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols.

CLAIMS

The list of claims was presented for approval.

Councilman Williams moved for approval of the list of claims as presented. Chairman Pro Tem Loesch seconded the motion. On a call by the Chair for ayes and nays, the motion carried, with the vote on passage as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols.

The list of claims was approved.

COUNCIL COMMENTS

Chairman Pro Tem Loesch expressed appreciation to everyone who supported The Help Center by voting in support of a \$20,000 makeover. Chairman Pro Tem Loesch inquired for an update on the residential structure located on the corner of Jackson and Agriculture. City Manager Slagle called upon Building Official Steve Redmon and City Attorney Leonatti to provide a report. Building Official Redmon provided information on the time frame for the permitted remodeling and progress of the residential structure. City Attorney Leonatti provided a legal review of the City's current code enforcement and an interpretation of the City's current building permit process.

Councilman Williams complimented The Help Center on its recent grant award. Councilman Williams also made positive comments regarding the recent Living Windows display in the downtown Mexico area. Councilman Williams inquired about a report from MoDOT on their recent traffic study. City Manager Slagle and Director Russell stated that the report has not been received at this time.

Council Miller made positive comments regarding The Help Center's recent grant award. Councilman Miller inquired into the Morris Street project progress. Director Russell provided a brief

report on the project's progress. Council Miller inquired as to the striping of Lakeview Road. Director Russell provided a report on the recent ditch cleaning along the road and provided information regarding striping of the road. Director Russell indicated that Staff had discussed the striping of the road for night driving, however it was decided that with the striping, the road would appear narrow causing other driving problems. Director Russell indicated that the road may need to be widened on the park side to allow striping of the road.

City Manager Slagle wished everyone a Happy Holidays and safe travels through the season.

Mayor Botts expressed thanks to those who voted for The Help Center's grant award. Mayor Botts also wished everyone a Blessed and Safe Holiday Season and Merry Christmas!

PUBLIC COMMENTS

There were no public comments.

ADJOURNMENT

Mayor Botts moved to close the open session. The motion was seconded by Councilman Williams. The Chair called for a vote and motion carried with the vote as follows: Ayes, Botts, Miller, Loesch, Williams. Nays, None. Absent, Nichols.

The City Council Regular Session Meeting was adjourned.

RE: A Resolution Awarding the Various On-Call Maintenance Services Bid to Plan B Development and Authorizing the City Manager to Execute a Service Agreement

Dear City Council Members:

Council approved a service contract with Randy May Construction May 2014, which included a renewal for one (1) year. The current contract expires April 2015. Under the provisions of the contract, Randy May provided City Staff with written notice to terminate the annual services contract with the City due to medical reasons. The contract was terminated at the end of November 2014.

The Public Works Department has maintained an on call contract for various on call services. The Service Agreement is identified as an agreement for various maintenance services, though the primary purpose will be for sanitary sewer line repairs.

Request for bids were solicited for Various On-Call Maintenance Services for the City of Mexico's Public Works Department. A Bid Notice was mailed to twelve vendors and was also placed in the *Mexico Ledger*. Two bids were received with the best and lowest bid being from Plan B. Development. An evaluation of the two bids was completed based on the time it takes to make a typical sewer repair.

Typical Repairs	Plan B Development Mexico, Missouri			Mick Mehler & Sons Silex, Missouri	
	Hours	Hourly Rate	Total	Hourly Rate	Total
Excavator and Operator	4	\$95.00	\$380.00	\$180.00	\$720.00
Foreman	8	\$75.00	\$600.00	\$55.00	\$440.00
