RE: Public Hearing – To Establish the 2015 Property Tax Rates

Dear City Council Members:

As required by state law, the City Council will conduct a public hearing at this council meeting to establish the current year's property tax rates for the 2015 Property Tax Levy.

As Council is aware, the State Auditor's office calculates the allowable property tax rates based on keeping revenue neutral, exclusive of new construction.

Based on the 2015 Assessed Value (\$137,790,155) and the State Auditor's Office allowable tax rate calculations of .7325, revenues for the City of Mexico would be \$1,009,313. Based on the 2015 Assessed Value (\$137,790,155), revenues for the City of Mexico would be as follows for Budget Year 2015 – 2016.

| <i>Proposed Revenue by Fund Using Current Rates</i> | <i>Proposed Revenue</i> | <i>Proposed Tax Rate</i> |
|---|-----------------------------|------------------------------|
| General Fund | \$ 595,943 | \$.4325 |
| Parks & Recreation | 137,790 | .1000 |
| Public Health | 275,580 | .2000 |
| | <hr/> | <hr/> |
| | \$1,009,313 | \$.7325 |

Staff recommends that Council proceed with the advertised public hearing in order to establish the 2015 Property Tax Levy.

NOTICE OF PUBLIC HEARING

A Public Hearing will be held at 7:00 p.m. Monday, August 24, 2015 at City Hall, Mexico, Missouri, at which time citizens may be heard on the property tax rates proposed to be set by the City Council of the City of Mexico, Missouri. The tax rates are set to produce the revenues that the budget for the fiscal year beginning October 1, 2015 shows to be required from the property tax. Each tax rate is determined by dividing the amount of gross revenue needed by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation.

| Assessed Valuation | Tax Year 2015 | Tax Year 2014 |
