

COVID-19 City of Mexico, Missouri Reopen Plan

(Issued April 29, 2020)

General Guidelines:

In conjunction with the Federal and State Guidelines, the City of Mexico will implement a 3 Phase Reopen Plan of City facilities, events, social and recreational activities. The City's Plan will be an incremental process and will be flexible to adapt to the continued restrictions necessary to keep the coronavirus from spreading and mitigate risk of resurgence. This Plan governs the reopening of City facilities only, all other entities should refer to the Federal and State Reopen Orders for guidance.

During all phases of the reopening plan the City will:

- Base decisions upon recommendations from the Federal, State and CDC Guidelines;
- Make decisions based on scientific data and medical expertise;
- Make decisions based on maintaining Public Health and Safety;
- Protect residents and employees' access to the facilities and services they need;
- Partner with other community agencies to expand capacity and deploy resources;
- Continue physical distancing and practice good hygiene;
- Limit situations and access where physical distancing cannot be maintained; and
- Monitor conditions and immediately take steps to limit and mitigate any rebound or outbreak by restarting a phase or returning to an earlier phase, depending on risk.
